Mr. Teobert Maler,
Merida, Yucatan

My dear Sir:-

I have received your letter of June 10 and also the galley proof of Memoirs, Vol. IV, no. 2, which you have returned. In the absence of Professor Putnam, Mr. Bowditch and Mr. Willoughby will consider your corrections and remarks, and Professor Putnam will see it in fresh proof when he arrives the last of this month.

I hope I did acknowledge the receipt of your text on Tikal, but in case I did not, I will say that it was duly received and sent to Miss Wesselhoeft for translation. She is still working on the text. I notified Professor Putnam and Mr. Bowditch of its arrival at the time.

I trust you have received the copies of No. 1 of this volume which were sent to you at time of distribution in April. I think I mailed ten copies at that time.

Yours respectfully,

J. H. Mead, secy
