Dear Mr Mahler:-

I have just received a letter from Captain Watson, and he asks me to request you to send him as full a description as possible, of the purchase he made from you a few days since. If you will kindly send this to me, I will forward it to the Captain.

He also says he will give you \$60, Sixty pesos, oro Nacional, for the photos he separated, if you are willing to accept that sum. If so, kindly send to me by bearer, and I will pay you, the first ~~ix~~ time you come this way.

Yours very truly,

Arthur Peirce
